Results 1 - 10 of about 1,770,000 for longest job time first scheduling. (0.31 seconds)

Did you mean: *largest* job time first scheduling**A proof for the longest-job-first policy in one-machine scheduling**

scheduling problem in the popular "just-in-time" method of production can be this article we prove that the longest-job-first policy is optimal for a ...

doi.wiley.com/10.1002/1520-6750(199110)38:5%3C715::AID-NAV3220360506%3E3.0.CO;2-6 - Similar pages

RIOT-The Scheduling Problem

It schedules the longest jobs first so that no one large job will "stick out" at the end of the schedule and dramatically lengthen the completion time of ...

riot.eor.berkeley.edu/~vinhuan/algorithms.html - 17k - Cached - Similar pages

Computers & Operations Research : Job scheduling methods for ...

The waiting time of the first job to be processed is 0, which is given in Eq. (5). ... Remove the job with the longest processing time from the job pool, ...
